1. MOOC OBJECTIVE

- Training for legal practitioners aiming to spread knowledge of disability rights and awareness of issues to take into consideration when protecting, promoting and fulfilling such rights through day-to-day legal activities

- Course designed based on an analysis of the barriers that persons with disabilities face in accessing justice, at times related with gaps in the training of legal operators.

- Against this backdrop, the specific objective of the course is to contribute to bridging these gaps in the conviction that this will achieve a more effective guarantee of access to justice for persons with disabilities.

The intelligence, technology and human expertise you need to find trusted answers.
